Property Description

Fee simple interest in this freestanding Chipotle in Fredericksburg, Virginia, a highly desirable suburb of Washington, D.C. The Tenant, Chipotle, has over 9 years remaining on a corporately guaranteed NNN lease with three additional ten-year renewal options. The lease features larger than average 15% rental increases every five years which significantly boost the investor's return. Furthermore, potential investors will benefit from the ability to depreciate this asset as it is fee simple unlike most Chipotle offerings. This location was originally a Boston Market. The initial lease was executed in 1994, and Chipotle took assignment to it in roughly 2001, likely due to the below market rate of the lease. Chipotle Mexican Grill, Inc. is a publicly traded company with more than 1,800 locations and \$3.21 Billion in revenue in 2013.

Property Description

Fee simple interest in this M&T Bank, rated A- by Standard & Poor's, in Fredericksburg, Virginia. This is an established, long-term bank branch location. It was originally a Southern Financial branch before the bank was purchased by Provident Bank in 2004. In 2009, Provident Bank merged with M&T Bank and this location has since operated as an M&T Bank. The Tenant, M&T Bank, reinforced their commitment to the location as the tenant recently exercised its final 10-year renewal option at contract rent. It should be noted that the Tenant does not have any remaining renewal options which could provide the new ownership with a lease restructuring opportunity in the future. Additionally, this lease features rare annual CPI increases which provide an excellent hedge against inflation; the minimum annual increase is 2% and the maximum is 5%. Lastly, tax sensitive buyers will appreciate ownership of the fee simple interest so one may depreciate the asset unlike most bank branches.
